MEMORANDUM

TO: Board of Directors, Buffalo Erie Niagara Land Improvement Corporation
FROM: Brendan Mehaffy, Chairperson
SUBJECT: **Resolution #2018-79** Selection and Acquisition of Properties – City of Buffalo
Preemptive Bid Properties 2018
DATE: December 20, 2018

DISCUSSION:

BENLIC adopted Resolution #2018-70 authorizing the use of its pre-emptive bid power to acquire properties at the City of Buffalo In Rem Auction 2018. At the close of the auction, 41 properties were acquired via pre-emptive bid. Pursuant to the BENLIC-Buffalo Pre-Emptive Bid Assignment Agreement 2018, adopted via Resolution #2018-57, BENLIC may select to not assign its bid on up to ten percent of the total number of properties and may take title to those properties. BENLIC may also acquire additional properties at the written authorization of the Executive Director of the City Office of Strategic Planning. As 41 properties were pre-emptively bid, BENLIC may acquire four properties. An additional three have been requested for retention by BENLIC. A total of seven properties have been selected for BENLIC acquisition.

Out of the selected seven (7) properties, four (4) have been identified for future disposition to existing Buffalo Not-for-Profits. BENLIC will hold the remaining three(3) properties, all vacant lots, for future new housing construction. BENLIC has been awarded an NYS Office of the Attorney General Community Revitalization Initiative (CRI) grant. This grant will specifically explore new urban housing infill construction projects within the City of Buffalo. The properties selected by BENLIC are of strategic value to achieve the CRI grant objectives.
